The Bull Simons Award was first awarded in 1990. The award recognizes recipients who embody “the true spirit, values, and skills of a special operations warrior.” Col. Arthur “Bull” Simons, whom the award is named after, was the epitome of these attributes. The Bull Simons Award is USSOCOM’s highest honor.

**Bull Simons Award Recipients**

- Mr. H. Ross Perot - 1990
- The Honorable Sam Nunn - 1997
- The Honorable William Cohen - 1997
- U.S. Army Maj. Aaron Bank - 1994
- The Honorable John Marsh Jr. - 1993

J8 Directorate of Force Structure, Requirements, Resources and Strategic Assessments - U.S. Army Maj. Gen. Sean P. Swindell

Special Operations Forces Acquisition, Technology & Logistics - Mr. James H. Smith

Special Operations Financial Management - Mr. Mark D. Peterson

Chief Data Officer - David L. Spirk

Joint Special Operations University - Dr. Brian A. Maher

**USSOCOM Mission**

USSOCOM develops and employs fully capable Special Operations to conduct global Special Operations and activates, as part of the joint force to support persistent, networked, and distributed global combatant commands’ operations and campaigns against state and non-state actors to protect and advance U.S. policies and objectives.

**USSOCOM Vision**

Empowered SOF Professionals, globally networked, partnered and integrated, relentlessly seeking advantage in every domain to compete and win for the Joint Force and the Nation.

**What USSOCOM Does**

- Civil Affairs
- Counterinsurgency
- Counterterrorism
- Countering Weapons of Mass Destruction
- Direct Action
- Foreign Humanitarian Assistance
- Foreign Internal Defense
- Hostage Rescue and Recovery
- Military Information Support Operations
- Security Force Assistance
- Special Reconnaissance
- Unconventional Warfare

**Title 10 Authorities**

- Develop special operations strategy, doctrine and tactics
- Prepare and submit budget proposals for special operations forces
- Exercise authority, direction and control over special operations expenditures
- Train assigned forces
- Conduct specialized courses of instruction
- Validate requirements
- Establish requirement priorities
- Ensure interoperability of equipment and forces
- Formulate and submit intelligence support requirements
- Monitor special operations officers’ promotions, assignments, retention, training and professional military education
- Ensure special operations forces’ combat readiness
- Monitor special operations forces’ preparedness to carry out assigned missions
- Develop and acquire special operations-peculiar equipment, materiel, supplies and services
- Command and control of U.S.-based special operations forces
- Provide special operations forces to the geographic combatant commanders
- Activities specified by the President or Secretary of Defense
Direct Action

United States Army Special Operations Command

Location: Fort Bragg, North Carolina
Established: Dec. 1, 1989
Mission: The United States Army Special Operations Command mans, trains, equips, educates, organizes, sustains, and supports forces to conduct special operations across the full range of military operations and spectrum of conflict in support of joint force commanders and interagency partners, to meet theater and national objectives
People: Approximately 33,000

USASOC is home to:
- Special Forces (Green Berets)
- Rangers
- Special Operations Aviators
- Civil Affairs Soldiers
- Psychological Operations Units
- Training Cadre
- Sustainment Soldiers

Web Address: www.soc.mil

Commander
Lt. Gen. Francis M. Beaudette

Command Sergeant Major
Mark W. Eckard
Special Forces

Special Forces (Green Berets) units perform unconventional warfare, foreign internal defense, special reconnaissance, direct action, combating terrorism, and counter-proliferation. These missions make Special Forces unique because they are employed in peacetime, conflict and war. The Special Forces motto is “De Oppresso Liber - to Free the Oppressed.”

Rangers

The 75th Ranger Regiment is a unique special operations force comprised of specially selected and well-trained Soldiers constantly tested for the privilege of serving in the regiment. Rangers can conduct large-scale joint forced entry operations or special operations raids across the globe. The 75th Ranger Regiment’s motto is “Rangers Lead The Way.”

Army Special Operations Aviators

Army special operations aviators are highly trained and ready to accomplish the very toughest rotary-wing missions in all environments, anywhere in the world, day or night, with unparalleled precision. The professionalism and capabilities of Army Special Operations Aviation are developed through a “train as you fight” mentality.
**Civil Affairs Soldiers**

Civil Affairs units support military commanders by working with civil authorities and civilian populations in the commander’s area of operations during peacetime, contingency operations and war. Civil affairs specialists identify critical requirements needed by local citizens in war or disaster situations.

**Psychological Operations Units**

These units consist of Psychological Operations forces that conduct military information support operations, civil authorities information support, and military deception that support a broad range of U.S. political, military, economic and ideological activities used by the government to secure national objectives. PSYOP units develop, produce and disseminate truthful information to foreign audiences in support of U.S. policies.

**Training Cadre**

The U.S. Army John F. Kennedy Special Warfare Center and School, the Special Operations Center of Excellence, assesses, selects, trains, educates and manages Soldiers within the Special Forces, psychological operations and civil affairs career fields.

**Sustainment Soldiers**

Sustainers are responsible for providing logistical, medical and signal support for Army Special Operations Forces worldwide in support of contingency missions and warfighting commanders.
NAVSPECWARCOM

IS HOME TO:
- Sea, Air, Land (SEALs)
- Special Warfare Combatant-craft Crewmen (SWCC)
- Enablers

LOCATION: Coronado, California
ESTABLISHED: April 16, 1987

MISSION: Man, train, equip, educate, deploy, resource, and sustain forces to conduct direct action and special reconnaissance, support advise-and-assist programs, and build partner capability, in or out of the maritime environment, by employing tailored capabilities in support of military commanders, chiefs of mission, interagency, and foreign partners and allies.

PEOPLE: Approximately 10,000

Commander
Rear Adm. Collin P. Green

Force Master Chief
Master Chief Petty Officer (SEAL) William A. King

Web Address
www.public.navy.mil/nsw
Sea, Air, Land (SEAL)

The SEAL team is the heart of the NSW force: a multipurpose combat force organized and trained to conduct a variety of special operations missions in all environments. SEALs conduct clandestine missions infiltrating their objective areas by fixed- and rotary-wing aircraft, Navy surface ships, combatant craft, submarines and ground mobility vehicles.
If SEALs and SWCC are considered to be the action arms of NSW, then the enablers are the backbone of the organization. SEALs rely heavily on the services of technicians such as mobile communications teams, tactical cryptologic support and explosive ordnance disposal specialists. Enablers contribute heavily toward the success of the special warfare operations mission.
AFSOC IS HOME TO:

AIR COMMANDOS
- Special Tactics
- Special Operations Aviators
- Support Air Commandos

LOCATION: Hurlburt Field, Florida
ESTABLISHED: May 22, 1990

USSOCOM Fact Book - 2019
26
Special Tactics

Special Tactics Airmen are the Air Force’s ground special operations component. With more than 650 combat mission support Airmen and 1,000 Special Tactics operators in 29 locations, our operators are experts in global access, precision strike, personnel recovery and battlefield surgery operations. **Global access** - Special Tactics teams can assess, open, and control major airfields to clandestine dirt strips in either permissive or hostile locations, providing strategic access for our nation’s military. Special Tactics ensures U.S. and allied nations can access man-made and naturally contested, degraded and operationally-challenged environments, providing options for assault and power projection. **Battlefield surgery** - Special Operations Surgical Teams’ proximity to the fight and ability to conduct high-level surgical operations in austere environments saves lives, builds relationships with the local populace and provide psychological stability for joint and allied forces combating the enemy. **Personnel recovery** - Special Tactics teams have the ability to conduct personnel recovery missions, from rapid mission planning to technical rescue, treatment and exfiltration. With in-depth medical and rescue expertise, along with their deployment capabilities, ST Airmen are able to perform rescue missions in the world’s most remote areas. **Precision strike** - Special Tactics Airmen are highly-trained in kinetic and non-kinetic precision strike—from coordinating with aircraft to direct accurate munitions to humanitarian aid drops from the ground.
Support Air Commandos

Air Commandos hold true to a proud warrior heritage. Serving in a variety of mission support, maintenance and medical career fields, they enable the AFSOC mission and ensure successful operations any place...any time...anywhere.

Special Operations Aviators

Air Force Special Operations Command aviators are America’s specialized air power. They fly a fleet of specially-modified aircraft -- mainly under the cover of darkness -- to conduct long-range infiltration and exfiltration; non-standard aviation; precision strike; aerial refueling; military information support operations; foreign internal defense; command and control; and intelligence, surveillance, and reconnaissance anywhere in the world.
MARSOC is home to:
- Critical Skills Operators
- Special Operations Officers
- Special Operations Capabilities Specialists
- Special Operations Combat Services Specialists

Location: Camp Lejeune, North Carolina
Established: Feb. 24, 2006

Mission: MARSOC recruits, organizes, trains, equips and deploys task-organized, scalable, expeditionary Marine Corps special operations forces worldwide to accomplish the full spectrum of special operations missions assigned by the commander, USSOCOM and/or the geographic combatant commanders via the theater special operations commands.

People: Nearly 3,000
Critical Skills Operators are the frontline Marines and Sailors who are complex problem solvers able to operate across the full spectrum of special operations in small teams under ambiguous, sometimes austere, environments while maintaining a high level of mental flexibility and physical endurance. CSOs exemplify the Marine Corps’ concepts of distributed operations and the strategic corporal. These warrior-diplomats are able to operate across the spectrum of force. They are experts in utilizing the right force at the right time with the right effect. MARSOC forces provide foreign internal defense, special reconnaissance, and direct action capabilities to commanders.
Special Operations Capabilities and Combat Services Specialists

Special Operations Capabilities Specialists include Joint Terminal Attack Controllers who call in close air support aircraft and indirect fires for Marine special operations teams; communicators, who plan, install, operate, maintain and protect organic narrowband, voice, video and data radios, terminals and services in support of assigned missions; intelligence enablers who provide geospatial, human and signals intelligence; and Explosive Ordnance Disposal Technicians. Special Operations Combat Service Support Specialists provide intrinsic combat service support and logistics capabilities including administrative, fiscal, medical, engineer, ammunition and supply.
The **Joint Special Operations Command**, located at Fort Bragg, North Carolina, is a sub-unified command of the U.S. Special Operations Command. It is charged to study special operations requirements and techniques, ensure interoperability and equipment standardization, plan and conduct Special Operations exercises and training, and develop joint Special Operations tactics.
MISSION
SOCAFRICA is a sub-unified command of USSOCOM under operational control of United States Africa Command, with headquarters in Kelley Barracks, Stuttgart-Mohringen, Germany. Subordinate SOCAFRICA organizations include: Special Operations Command Forward-East (Special Operations Command and Control Element - Horn of Africa), Special Operations Command Forward-West (Joint Special Operations Task Force-Trans Sahara), Naval Special Warfare Unit 10, Joint Special Operations Air Component Africa, and SOCAFRICA Signal Detachment. Commander SOCAFRICA serves as the Special Operations Advisor to Commander, USAFRICOM. SOCAFRICA’s primary responsibility is to exercise operational control over theater-assigned or allocated Air Force, Army, Marine, or Navy special operations forces conducting operations, exercises, and theater security cooperation in the US-AFRICOM area of responsibility.

COMMAND VISION
SOCAFRICA conducts the full spectrum of SOF missions and closely works with component, interagency and partner nations to protect U.S. lives and interests in Africa. The command builds tactical and operational counter-VEO (violent extremist organization) capability in select, key partner nations and assists in developing regional security structures to create stability and combat transregional threats. SOCAFRICA activities directly support USAFRICOM’s four theater strategic objectives of defeating VEOs, developing persistent access to partner nations through SOF engagement, building partner nation and regional capacity that promotes stability, and mitigating the underlying conditions that permit violent extremism.

AREA OF FOCUS
The African continent is large and diverse, three and one-half times the size of the United States, with 54 countries spanning 11 million square miles. SOCAFRICA is routinely engaged, on average, in half of these countries; working with and through our African counterparts.

MAJOR ENGAGEMENT
Flintlock is an exercise focused on improving military interoperability and capacity building of participating militaries from Northern and Western Africa, Europe and the United States.
Special Operations Command - Central

Commander - U.S. Navy Rear Adm. Hugh Wyman Howard III
Senior Enlisted Advisor - Command Sgt. Maj. Robert Flournoy
Established - Dec. 1, 1983

Mission
SOCCENT, in partnership with interagency and international partners, supports CENTCOM’s and SOCOM’s objectives by employing special operations to deter and degrade malign actors, influence relevant populations, and enhance regional partners to protect U.S. national interests and maintain regional stability. When directed, SOCCENT employs special operations forces for contingency and crisis response.

Command Vision
Assist commander, USCENTCOM in strengthening regional stability and protecting U.S. interests. SOCCENT will employ a combination of SOF core activities, engagements, and posture in conjunction with interagency partners, other CENTCOM components, and partner nation’s SOF and counterterrorism forces. Expand the capabilities of regional SOF and CT forces and provide them with enhanced capabilities while influencing relevant target populations. These actions counter threats and maintain our deep understanding of the environment, enabling us to achieve our assigned tasks. We will relentlessly empower our people with rich information and decentralized authority in a networked enterprise that’s constantly improving in speed, agility, and effectiveness. We succeed in our mission by making effective and sustained contributions toward CENTCOM and SOCOM’s desired end states.

Area of Focus
SOCCENT’s area of focus includes 20 countries. These countries include Afghanistan, Bahrain, Egypt, Iran, Iraq, Jordan, Kazakhstan, Kuwait, Kyrgyzstan, Lebanon, Oman, Pakistan, Qatar, Saudi Arabia, Syria, Tajikistan, Turkmenistan, United Arab Emirates, Uzbekistan, and Yemen.

Major Engagement
Eager Lion is one of U.S. CENTCOM’s premiere exercises held in the Hashemite Kingdom of Jordan annually. Eager Lion is designed to promote cooperation and interoperability among more than 11,000 participating troops, build functional capacity and enhance readiness.

USSOCOM Fact Book - 2019
36
**Senior Enlisted Advisor** - Command Sgt. Maj. Bruce W. Holmes  
**Established** - Jan. 22, 1955

**MISSION**

**SOCEUR** employs special operations forces across the USEUCOM area of responsibility to enable deterrence, strengthen European security collective capabilities and interoperability, and counter transnational threats to protect U.S. personnel and interests.

**Command Vision**

SOCEUR will integrate with the USEUCOM components and the interagency to achieve USEUCOM theater objectives. SOCEUR will preserve its distinct theater operational response capability through a culture of readiness, decentralized mission command, and empowered tactical operators. The priorities for SOF operational employment are to gain and maintain persistent access to areas of potential conflict and violent extremist organizations’ areas of operations, to enable preparation of the environment tasks in support of USEUCOM operations plans and concepts plans, while assuring our European allies and partners of U.S. commitments to bilateral and NATO obligations.

**Area of Focus**

SOCEUR’s area of responsibility is derived from USEUCOM’s area of responsibility, consisting of 51 independent countries that extend from Greenland east through the European continent and all of Russia and south of the continent to include the Mediterranean Sea, south to the Caucus region and Israel. Within USEUCOM’s area of responsibility, SOCEUR’s principle area of focus is to defend NATO on USEUCOM’s eastern flank. SOCEUR’s other key focus area is combatting terrorism in USEUCOM’s southern flank.

**Major Engagements**

**Jackal Stone** is an annual Chairman of the Joint Chiefs of Staff-directed special operations forces exercise coordinated by SOCEUR with participating SOF and support enablers from varying partner countries throughout Europe. SOCEUR is fully integrated into Operation Atlantic Resolve and NATO Enhanced Forward Presence. **Trojan Footprint** is a now annual SOCEUR-led exercise that incorporates NATO Allies and partners across Europe to exercise multinational mission command across echelon, and integrate SOF with conventional forces to set conditions for the combined joint force.
Special Operations Command - Korea

Senior Enlisted Advisor - Master Chief Petty Officer (SEAL) Timothy Boehmer
Established - July 14, 1986

Mission
SOCKOR plans and conducts special operations in support of the commander of United States Forces/United Nations commander/Combined Forces commander in armistice, crisis and war. SOCKOR is a functional component command of United States Forces Korea, tasked to plan and conduct special operations in the Korean theater of operations.

Command Vision
Since its inception, SOCKOR continues to be the only theater SOC in which U.S. and host nation SOF are institutionally organized for combined operations. SOCKOR and Republic of Korea (ROK) Army Special Warfare Command (SWC) regularly train in their combined roles, while SOCKOR’s Special Forces detachment acts as the liaison between ROK Special Forces and the U.S. Special Forces.

Area of Focus
In peacetime, SOCKOR is responsible for the planning, training, and execution of all U.S. SOF activities in Korea. The SOCKOR commander serves as senior advisor to COMUSFK regarding all U.S. SOF issues. If the armistice fails, SOCKOR and ROK SWC will combine to establish the Combined Special Operations Component Command Korea (CSOCC-K) under the Combined Forces Command. Under the current plan, when CSOCC-K is formed, the SOCKOR Commander becomes the CSOCC-K deputy commander. SOCKOR is then designated as the United Nations Command Special Operations Component under the United Nations Command (UNSOC), with the SOCKOR commander as the Special Operations Component commander.

Major Engagement
Foal Eagle is a bilateral series of annual, defense-driven training events intended to increase readiness, protect the region, and maintain stability on the Korean peninsula. It is a multinational, joint-service exercise focusing on tactical-based warfare throughout the peninsula of Korea.
Special Operations Command - North

Commander - U.S. Army Col. Isaac J. Peltier
Acting Senior Enlisted Advisor - Sgt. Major Jerome R. Misher
Established - Nov. 5, 2013

Mission
SOCNORTH, in conjunction with interagency and regional partners - plans, coordinates and when directed, executes special operations to defend the United States and its interests.

Command Vision
SOCNORTH provides USNORTHCOM understanding of irregular threats and facilitates cooperative action with mission partners in defense of the homeland. We provide USNORTHCOM an in depth understanding of irregular threat to the homeland – by, with and through - mission partners, while remaining prepared to facilitate decisive DoD capabilities during crisis. SOCNORTH operationalizes this vision through four priorities: building our operational capacity through exercises and capability development; expanding our forward presence across our network of allies, regional SOF partners and the interagency; innovating to achieve a competitive advantage over our adversaries by leveraging technology and testing new operational concepts; and preserving the force and family through holistic unit member and family programs. SOCNORTH is USNORTHCOM's supported command for counterterrorism, counter weapons of mass destruction and counter transnational organized crime for Mexico and N. Caribbean.

Area of Focus
SOCNORTH’s area of responsibility mirrors that of USNORTHCOM and encompasses the continental United States, Alaska, Canada, Mexico and the Bahamas to include the surrounding water out to approximately 500 nautical miles. It also includes the Gulf of Mexico, the Straits of Florida and portions of the northern Caribbean region to include: Puerto Rico, the Virgin Islands, Bermuda and Turks and Caicos. The commander of SOCNORTH is responsible for maintaining existing relationships with regional SOF organizations in Canada, Mexico, and the Bahamas and facilitates their contributions to the cooperative defense of North America.

Major Engagement
Vital Archer is a yearly exercise focused on the USNORTHCOM counterterrorism mission. It is a command post exercise as well as a field training exercise that includes response to chemical, biological, and nuclear incidents. Vigilant Shield is an annual exercise focused on USNORTHCOM’s homeland defense mission. It is a globally-integrated command post exercise with supporting field training exercises centered around defending the homeland from a myriad of threats. SOCNORTH also executes several exercises annually that rehearse SOF specific support to lead U.S. government agencies for resolution of threats to the homeland.
SOCPAC is a sub-unified command of USSOCOM under the operational control U.S. Indo-Pacific Command and serves as the functional component for all special operations missions deployed throughout the Indo-Asia-Pacific region. SOCPAC coordinates, plans, and directs all special operations in the Pacific theater supporting commander, USINDOPACOM objectives of deterring aggression, responding quickly to crisis, and defeating threats to the United States and its interests.

Provide flexible response to contingencies in the Indo-Pacific. Integral to this capability is our forward-deployed posture and continuous engagement with partners and ally forces, heightening mutual interoperability and our regional expertise. Mission command of our forces is founded on trust and enabled when responsibility resides at the lowest possible level - with competent SOF elements empowered to maximize our diverse team. Creative solutions leverage the breadth and depth of our interagency network, informed by consideration of the regional context and inherent complexity of the mission sets. Our success is predicated upon a healthy, motivated force, trained, educated and fully supported by our programs and processes.

SOCPAC’s area of focus includes 36 countries and encompasses half of the earth’s surface. SOCPAC divides its area of focus into four regions: South East Asia: Brunei, Burma, Cambodia, Indonesia, Laos, Malaysia, the Philippines, Singapore, Thailand, and Vietnam. South Asia: Bangladesh, Bhutan, India, Maldives, Nepal, Sri Lanka. Northeast Asia and Oceania: Australia, China, Fiji, Japan, Kiribati, Marshall Islands, Micronesia, Mongolia, Nauru, New Zealand, North Korea, Palau, Papua New Guinea, Somoa, Solomon Islands, South Korea, Timor-Leste, Tonga, Tuvalu, and Vanuatu.

The biennial Pacific Area Special Operations Conference (PASOC) is SOCPAC’s largest multilateral engagement. PASOC brings together SOF leaders from around the region to discuss challenges to regional security, share information and best practices to improve regional security, and build habitual relationships.
MISSION

SOC SOUTH is a sub-unified command of USSOCOM under the operational control of U.S. Southern Command. It is a joint Special Operations headquarters that plans and executes special operations in Central and South America and the Caribbean.

COMMAND VISION

SOC SOUTH is committed to establishing a secure and stable USSOUTHCOM AOR. SOC SOUTH collaborates through interagency partners, conventional forces, allies, and partner nations, connected by an in-depth network, to understand, detect, deter, disrupt, and defeat threats of mutual interests. Our networked approach focuses SOF operations, activities, and actions through our lines of effort to Build, Prepare, and Influence in order to Protect the southern approaches into the U.S. As USSOUTHCOM’s counter-terrorism lead and experts in countering trans-regional/transnational threat networks, we will be the premier partner of choice, a mutually supportive and interoperable partner, and through our culture of readiness, be able to quickly respond to crisis when directed.

AREA OF FOCUS

Its area of responsibility includes 31 countries and 16 territories and divides its area of focus into four regions: Caribbean: Anguilla, Antigua and Barbuda, Aruba, Barbados, Cayman Islands, Cuba, Dominica, Dominican Republic, French Guiana, Grenada, Guadeloupe, Guyana, Haiti, Jamaica, Martinique, Montserrat, Netherlands Antilles, Saint Kitts and Nevis, Saint Lucia, Saint Vincent and the Grenadines, Suriname, Trinidad and Tobago, and Turks and Caicos Islands. Central America: Belize, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, and Panama. Andean Ridge: Bolivia, Colombia, Ecuador, Peru, and Venezuela. Southern Cone: Argentina, Brazil, Chile, Paraguay, and Uruguay.

MAJOR ENGAGEMENTS

Fused Response: An annual exercise designed to improve time-sensitive crisis action planning and joint integration with partner nation and government agencies.

Fuerzas Comando: A special operations skills competition and senior leader seminar designed to promote military-to-military relationships, interoperability, and regional security.

Panamax: A multinational combined/joint task force exercise designed to respond to any request from the governments of Panama and Colombia to protect and guarantee safe passage of traffic through the Panama Canal and ensure its neutrality.
Theater Special Operations Command
AC-130U Spooky/AC-130W Stinger II

Primary function: Close air support and air interdiction.  
Speed: 300 mph.  
Dimensions: Wingspan 132 ft. 7 in.; length 97 ft. 9 in.; height 38 ft. 6 in.  
Range: 1300 miles.  
Armament: AC-130U, 25mm Gatling gun, 40mm Bofors and 105mm Howitzer; AC-130W, 30mm Bushmaster II chain gun, AGM-176 Griffin and GBU-39/B Small Diameter Bomb.  
Crew: AC-130U, 13, and AC-130W, Seven.

AC-130J Ghostrider

Primary function: Close air support and air interdiction.  
Speed: 385 mph.  
Dimensions: Wingspan 132 ft. 7 in.; length 97 ft. 9 in.; height 38 ft. 9 in.  
Range: 3000 miles.  
Armament: 30mm Bushmaster II chain gun, 105mm Howitzer, AGM-176 Griffin and GBU-39/B Small Diameter Bomb.  
Crew: Nine.

C-145A

Primary function: Provides rapid, flexible short-suspense operational movement of personnel.  
Speed: Max 220 mph.  
Dimensions: Length 43 ft.; height 16 ft. 1 in.  
Range: 1,010 miles  
Crew: Three.

C-146A Wolfhound

Primary Function: Provides flexible rapid, short suspense operational movement of personnel.  
Speed: In excess of 310 mph.  
Range: 1500 miles  
Crew: Three.

C-27J Spartan

Primary Function: Transporting paratroopers.  
Dimensions: Wingspan 94 ft. 2 in., length 94 ft. 2 in., height 31 ft. 8 in.  
Speed: Cruising speed 362 mph  
Range: 1100 miles  
Crew: Three.

CV-22B Osprey

Primary function: Special operations forces long range infiltration, exfiltration and resupply.  
Speed: 277 mph.  
Dimensions: Wingspan 84 ft. 7 in.; length 57 ft. 4 in; height 22 ft. 1 in.; rotary diameter, 38 ft.  
Range: 575 miles  
Crew: Four.
EC-130J Commando Solo

Primary function: Military information support operations.
Dimensions: Wingspan 132 ft. 6 in.; length 97 ft.; height 38 ft. 8 in.

MC-130H Combat Talon II

Primary function: Infiltration, exfiltration and resupply of special operations forces.
Dimensions: Wingspan 132 ft. 7 in.; length MC-130E 100 ft. 10 in.; MC-130H 99 ft. 9 in.; height 38 ft. 6 in.
Speed: 300 mph. Range: 2700 miles Crew: Seven.

MC-130J Commando II

Primary function: Infiltration, exfiltration and resupply of special operations forces; in-flight refueling of special operations vertical lift aircraft.
Speed: 416 mph. Dimensions: Wingspan 132 ft. 7 in.; length 97 ft. 9 in.; height 38 ft. 9 in.

MC-12W

Primary function: Intelligence, surveillance and reconnaissance

NSAV (Light) PC-12

Primary Function: Provides rapid, short suspense operational movement of personnel.
Speed: 359 mph. Dimensions: Wingspan 57 ft. 11 in.; length 46 ft. 8 in.; height 14 ft. 4 in.
Range: 2,700 miles. Crew: Two.

U-28A

Primary Function: Provides a manned fixed-wing, on-call/surge capability for Improved Tactical Airborne Intelligence, Surveillance, and Reconnaissance in support of special operations forces.
MH-6M Little Bird

Primary function: Close air support. Speed: 143 mph. Dimensions: Length: 32.05 ft., rotor diameter: 27.5 ft., height: 8 ft. 11 in. Range: 250 miles. Armament: 2x 12.7 mm GAU-19 or 2x 7.62 mm M134 minigun, 2x M260 rocket pods or 2x M1-12 rocket pod; Anti-tank guided missile, 2x AGM-114 Hellfire air to ground missiles. Crew: Two.

MH-60L/M Black Hawk

MH-60L/M Black Hawk Defensive Armed Penetrator (DAP)

Primary Function: Armed escort and fire support for special operations forces. Speed: Max 222 mph, Cruise 138 mph. Dimensions: Length: 64 ft. 10 in. Range: 450NM. Armament: 2 x 7.62 mm M134 minigun, M230 30mm Chaining, 70mm Hydra rockets, AGM-114 Hellfire air to ground missiles. Crew: Four.

MH-47 Chinook

AIRCRAFT - UNMANNED

**MQ-1 Predator**

**MQ-9 Reaper**

**AECV/Puma AE**

**Viking 400 (V400)**

**MARITIME - SURFACE**

**Combatant Craft Assault**

The Combatant Craft Assault is a fast boat operated by Special Boat Teams. The CCA’s primary role is medium range maritime interdiction operations in medium-to-high threat environments. It can also perform insertion extraction of special operations forces and coastal patrol operations. The CCA is air transportable in an C-17 aircraft.

**Special Operations Craft-Riverine**

The Special Operations Craft-Riverine performs short-range insertion and extraction of SOF in riverine and littoral environments. The SOC-R is a high-performance craft sized to permit air transport aboard C-130 or larger military aircraft. Each craft is manned by a crew of four Special Warfare Combatant-craft Crewmen and can carry eight SOF personnel.

**Rigid-hull Inflatable Boat**

The Rigid-hull Inflatable Boat performs short-range insertion and extraction of SOF, limited coastal patrol, and interdiction and reconnaissance. The RHIB is a high performance combatant craft that is air transportable by C-5 Galaxy, C-17 Globemaster and C-130 Hercules aircraft, and it can be air dropped from C-130 or larger military aircraft. Each craft is manned by a crew of three Special Warfare Combatant-craft Crewmen and can carry eight SOF personnel.
**SEAL Delivery Vehicle**

The MK VIII MOD 1 SEAL Delivery Vehicle is a free-flooding wet submersible designed for undersea special operations including direct action, hydrographic reconnaissance and insertion/extraction of SEALs. SDVs can be inserted into the water via a DDS-equipped submarine, or surface ships.

**Dry Deck Shelter**

The Dry Deck Shelter is a floodable pressure vessel carried by a host submarine for undersea operations. A minimum crew of six Navy divers operates the controls for flooding, draining and pressurizing the DDS. The host submarine provides the DDS with electrical power and high-pressure air. The DDS can be used to launch and recover a SEAL Delivery Vehicle or to conduct mass swimmer lock-out/lock-in operations utilizing SEALs and Combat Rubber Raiding Craft. The divers who operate the DDS control assist in all launch and recovery operations.
Ground

Mine Resistant Ambush Protected Vehicle
The RG-31/RG-33 Auxiliary Utility Vehicles provides protection for SOF operators against the expanded use of improvised explosive devices, and provides a lethal offensive capability in the form of an integrated remote weapon station.

MRAP All Terrain Vehicle
The M-ATV provides a mine-resistant all-terrain vehicle capability specifically for small-unit combat operations in highly restricted rural, mountainous, and urban environments.

Ground Mobility Vehicle
The GMV is a standardized joint SOF combat vehicle with the operational flexibility to support the SOF core activities of direct action, special reconnaissance, unconventional warfare, counterterrorism, security force assistance, and counterinsurgency operations.
Lightweight Tactical All Terrain Vehicle

The LTATV is a side-by-side seat vehicle that provides a light, all-terrain capability to allow SOF to undertake operations across a wide variety of missions with increased mobility and maneuverability. The LTATV is internally transportable by MH-47 and CV-22 variant aircraft; carries two personnel; can be used for a multitude of operations from logistic support to casualty evacuation; and provides a high degree of speed and mobility over rough terrain.

All Terrain Vehicle

The ATV provides individual, all-terrain mobility to deployed SOF in austere locations and for a myriad of special operations missions. The vehicles are extremely flexible and internally transportable within rotary wing assets, and they allow fully combat-equipped SOF operators to move around the battlespace rapidly in terrain not easily navigated by larger, heavier vehicles.
**SOF TRUTHS**

- Humans are more important than hardware
- Quality is better than quantity
- SOF cannot be mass produced
- Competent SOF cannot be created after emergencies occur
- Most special operations require non-SOF support
The SOF typical Operator

- Is married and has at least two kids
- Average age is 29 years-old enlisted; 34 years-old officer
- Has eight years experience in the general purpose forces
- Receives cultural and language training
- Has attended multiple advanced tactical schools
- Enjoys games which require problem solving like chess
- Is well educated and likely to have a college degree
- Is a thinking athlete - water polo, track, wrestling or football
