VULCAN ECOSYSTEM

Engage SOF (eSOF) is now on VULCAN:

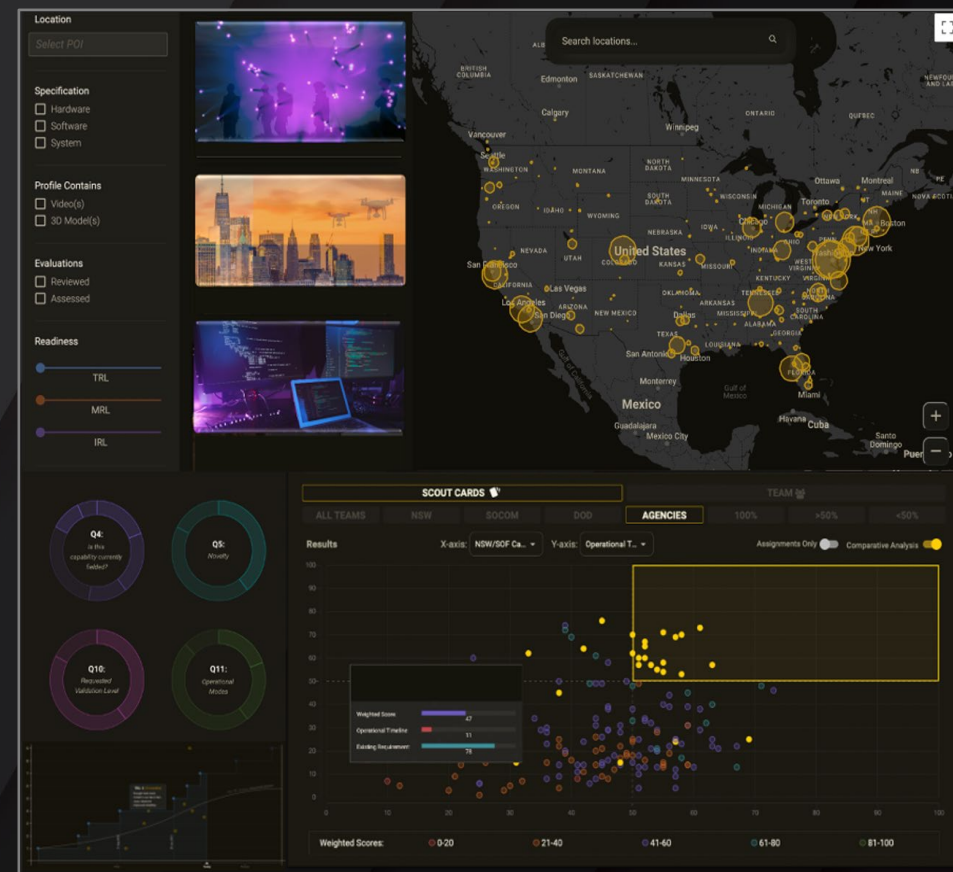

VULCAN is a digital platform connecting SOF to industry used to scout, vet, and adopt new technology

LEGACY eSOF

- Disconnected, siloed system with few government reviewers
- Difficult to collaborate with other agencies or allies
- No inclusion of automation, AI or ML

eSOF on VULCAN

- Single point, digital front door for industry
- Connected across SOF community and government; 1,200+ US government organizations, 15,000 government users
- Expanded network of SOF, interagency, and FVEY partners can review and collaborate on tech submissions
- Automation speeds up workflows; AI/ML integrated to support decisions while protecting sensitive data
