People-Win-Transform POTFF Overview

Our Mission

The mission of the Preservation of the Force and Family is to optimize and sustain performance, readiness, longevity for special operations mission requirements through integrated and holistic programs strengthening the Force and Family.

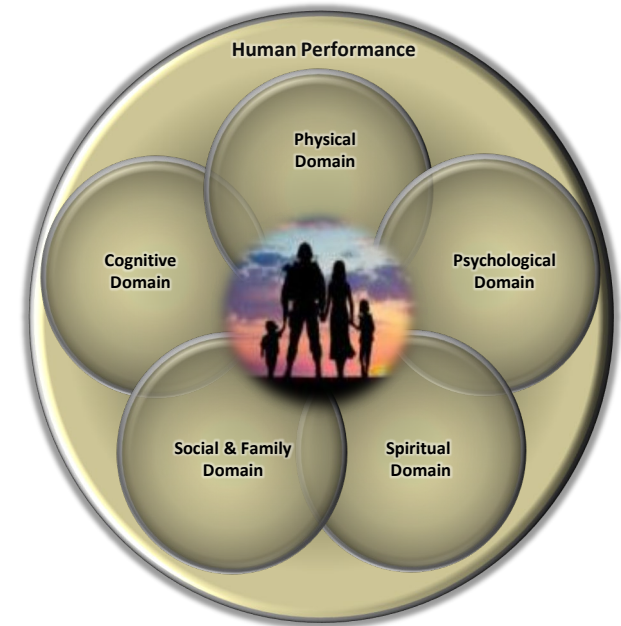

The Physical Domain Enhance SOF mission readiness through Sports Medicine, Strength and Conditioning, and Performance Nutrition to optimize physical training, mitigate injury, and increase career longevity.

The Psychological Domain Maximize the psychological performance, health, and resilience of SOF to meet operational demands now and in the future.

The Social and Family Domain Strengthen the Social and Family health and resilience of SOF Service Members and their Families to encourage strong networks to support SOF operational demands

The Spiritual Domain Provide, Connect, Strengthen and Assess the Spirituality of the SOF Service Member to strengthen their core spiritual, ethical, and moral beliefs and values

The Cognitive Domain Monitor, enhance, and advance the cognitive health and performance of the SOF Service Member to meet the operational demands now and in the future.

POTFF Priorities

- Enhance the Readiness of SOF
- Coordinate and collaborate with Services and Academia
- Provide innovative solutions to hard problems
- Achieve necessary authorities
- Program evaluation
- Reduce stigma associated with seeking care₃
