Provide information for adjudicated requests for expedited processing or adjudicated requests for a fee waiver, i.e., requests for expedited processing or requests for a fee waiver which were granted or denied. Do not include requests for expedited processing or requests for fee waiver which became moot for various reasons, as a result, were neither granted or denied.

A. REQUESTS FOR EXPEDITED PROCESSING.

(1) Include requests for expedited processing made both at the initial request level and , when applicable, at the administrative appeal level.

(2) Calculating days: Count only the days spent adjudicating the request for expedited processing. Count calendar days, not working days.

(3) NOTE: The response time of this new reporting requirement captures the time taken to decide whether to grant or deny a request for expedited processing. This does not cover the FOIA requests which have already been granted expedited status, placed in the "expedited processing" track, and reported elsewhere in this Report. Rather, this new requirement reflects the time taken to make a determination, (i.e., adjudicate) whether a request for expedited processing should be granted or denied. The FOIA requires agencies to determine within ten calendar days whether a request satisfies the standards for expedited processing.
